Special notes:

- § If a player left the field through injury – attach copy First Aid report and file original with squad manager
- § If an incident was treated and the player did not leave the field – only the number needs to be recorded for your stats on this form but an accident report should be filed with the squad manager.
- § If St John Ambulance are called for assistance to your pitch, complete a full Incident report. Show a hospital referral made in summary = yes if SJAB evacuate casualty.
- § If a 999 call is made and County Ambulance is required for casualty evacuation, a full Incident report must be made. Show a hospital referral made in summary = yes.
- § If the injury is to one the visiting team, we need to have a report completed if we provide the First Aid support and/or medical evacuation. Note the stats if their squad manage the incident and highlight on the above summary with a note.
